

Learner Assessment Information

AURAF2002 Read in an automotive workplace

This unit requires you to read automotive workplace documents in order to perform routine tasks in an automotive workplace.

The knowledge assessment must be completed successfully before additional assessment tasks are undertaken. These additional tasks will need to be completed before an assessor can determine you as competent for this unit.

ONLINE LEARNING PROGRAM

- Task 1** For this task, you will need to complete successfully all learning parts from the AURAF2002 Read in an automotive workplace learning program.

KNOWLEDGE ASSESSMENT

- Task 2** You are required to complete the online knowledge assessment for this unit of competency. You will need to create an ASA Learning Hub account by visiting www.asalearninghub.com.au then search for the assessment by using the following unit code and/or title:

AURAF2002 Read in an automotive workplace

After you have successfully completed the knowledge assessment you will receive a certificate with a unique code that you must present to your assessor as evidence and to receive your additional tasks for this unit.

Twenty questions will be asked that require you to achieve a 90% pass mark. It is not expected to take more than 40 minutes to complete this task.

DEMONSTRATION ASSESSMENT

- Task 3** Read key information from an automotive-specific text, understand it and explain it to your assessor.
- Task 4** Read a vehicle's service manual provided to you by your assessor to confirm its system, equipment operation and maintenance schedule requirements.
- Task 5** Read and follow instructions from an automotive-specific text provided to you by your assessor.
